

MANUFACTURERS OF NATURAL HEALTH PRODUCTS AND SPORTS SUPPLEMENTS

Zealand Health Manufacturing Limited (ZHM) is a contract manufacturer of natural health supplements including; capsules, tablets, powders, herbs, gels, creams and liquids.

Whether you require contract packing of your own health product or want us to assist with any portion of the process from sourcing raw material, assisting with formulations, right through to a finished product, we are able to meet your requirements.

We have a HACCP based New Zealand Food Safety Accreditation. All products are manufactured in temperature and humidity controlled clean rooms. In house and external auditing ensures stringent quality control standards are maintained.

Our modern, well maintained machinery along with our experienced and qualified staff, ensure that your finished product is of the highest standard.
